Just talked with the MN Convention. They will be able to confirm speech date/time in approx. 48 hours. They do think that it will be on Wed., 09.03). They have offered to cover your airfare as soon as they receive flight confirmation on flights. They have offered to cover 2 nights (night before speech and night after speech) at the Hilton Garden Inn. They will provide 2 rooms.

We do have you booked at the Ramada Inn as that is where the Alaska Delegation will be staying. You have a speech on Tuesday, 09.02.08 which means we need to get you in that morning to have the hotel expense covered for Tues., Wed., and check out on Thursday for flight home 09.04.08. Janice

How long does the teachers' merit pay pilot program last? We inherited it from last admin, my understanding is it goes away and we can figure out something better on our own watch once the pilot program ends? There may need to be some clarification on the issue and the program's intent (based on emails I'm getting re: whatever was printed in the ADN on the issue today - I haven't read the article yet).

How long does the teachers' merit pay pilot program last? We inherited it from last admin, my understanding is it goes away and we can figure out something better on our own watch once the pilot program ends? There may need to be some clarification on the issue and the program's intent (based on emails I'm getting re: whatever was printed in the ADN on the issue today - I haven't read the article yet).

"I had been covering politics for most of the past 30 years, from Capitol Hill to the Iowa caucuses to the city council in Winona, Minnesota," McAllister said. "As an Alaskan now for more than 11 years, I'm honored to be part of an administration that's making a pivotal change for the better in how state government is conducted."

Dear Governor Palin,

I just wanted to drop you a not and say thanks for all you are doing for the people in Alaska. It seems that lately there have been some major attacks on your character and I just wanted you to know that I support you and am praying for you.

I attend Skyline Foursquare Church and my friend, Frank Hobbs, has communicated to you regarding a Native Alaskan Conference we had at our Church. You sent him a really nice note back and it blessed me to see that we have a governor that takes the time to do little things like that. It is a nice knowing that there is someone leading our state that recognizes God as sovereign and almighty. Thanks for your commitment to Him and I pray peace for you as these attacks come against you. You do not stand alone! Our church has your picture on our prayer board and we stand with you.

I just wanted you to know also that as a single working mom I sure do appreciate the energy relief you proposed. I wasn't sure how I was going to make ends meet when winter hit and the energy rebate will sure help with that.

Peace to you and your family governor Palin. Someday I would love the chance to meet you in person.
Blessings,

Maiken Erickson

Why would anyone think Sitka was a "go", I merely asked how to get there on a Saturday and if there was a way ithe trip wouldn't take up the entire day! And I won't know about the other things until the investigation work kicks off, so folks will have to play it by ear the next few days and not commit to anything.
I do need to get to Juneau to pack family clothes, etc for the next three months tho. I'll figure that out hopefully by tomorrow.

Ladies and Gentlemen,,,,

There are many journeys in place today and most of them are based on AWARENESS of various evnts, information, views, ideas, discussions, and feelings...

I hope my comments and datas gathered are helpful and entertaining to you... IF they are not i will try to improve them.. I have a lot of various articles to send you,, i thought you had people around you that most likely did this for you.....

I think this may be my (or one of my many) problem; I'm thinkin you have to be stupid or corrupted to make some or many of the decisions you have made lately,,,,now i think perhaps you just didnt know or have access to other new developments in energy that are happening out there....

So, i will try to forward some data packs to you...(while i am not being paid to do so) that others around you must not be doing.....

Sarah,

I remember a time WAY BACK WHEN when I took you under my wing at KTUU-TV2 in Anchorage, AK.

I had NEVER connected Sarah Heath with Sarah Palin UNTIL our good friend (and my fellow sports reporter) Steve Turcotte connected the dots for me during his recent trip to Juneau!

My heartfelt congratulations to you for all you've accomplished in your incredible life in Alaska.

I would welcome the opportunity to see you again some day and --at the very least-- to talk with you on the phone soon.

I trust you will do all that's possible to make that happen!!!

I'm in San Diego where I've spent most of the last two years nursing my aging parents through the last years of their lives and safely delivering them back to their Lord and creator.

My blessings and my best to you, young lady!

Sincerely,
